"Capitano", Damir y Damir,

Un millón de gracias por un viaje maravilloso, lleno de sorpresas en lugares mágicos. Superaste todas nuestras expectativas. Eres un excelente anfitrión y tu calidez con nuestros niños no será fácil de olvidar. Disfrutamos cada segundo de la travesía por los espectaculares mares del Adriático.

Luis dice que le prometí, que el viaje sería especial pero que le mentí ¡ha sido único!

Cada lugar más bonito que el anterior, cada paisaje un paraíso. Nos sentimos afortunados de haberlo podido compartir a bordo de 'Patronice'.

Captain Damir and Damirs :

We want to thank you for a most wonderful cruise throughout your Croatian waters. We truly enjoyed your company, wit, fantastic cooking and attention which you graciously provided. We were so looking forward to this cruise and even though 15 days seemed like a long time... they went by in the blink of an eye! We were very impressed with the sceneries, landscapes and each place we visited seemed to be more spectacular than the last! Croatia is like the Worlds National Park, seeing so much beauty untouched and preserved has been a privilege and should be an example to us all. We hope to see you again... to cruise upon the Patronice while drinking travarica!
