

The Gallaghers, The Kelsons, The Campbells,
and The Kumps & Elliotts lived on
this ~~boat~~ Gullet for a week and the
crew survived! We enjoyed our
morning breakfast with our swim in
a cove followed by Gourmet lunch.
Every port was unique and wonderful.
We are now so relaxed. This was
a great experience. Thank you Damir
for making it possible. You and the
crew are the best.
